### Parent Entry Declaration

In making this Entry I agree on behalf of myself and my child to be bound by The PRA'S 2011 Pony Racing Regulations and that no liability, other than for death or personal injury, will be accepted by The PRA, MFHA, PPA, the Racecourses, organisers, employees, agents or anyone acting on their behalf or under their instruction in respect of loss or damage to property whatsoever including but not limited to loss of, injury or illness to equines, except to the extent that liability may not be so excluded under applicable laws. I am aware that it is NOT the responsibility of the organisers to have in place any personal accident insurance for participants and that it is MY responsibility to make the necessary arrangements if such cover is required. I confirm that I want my son/daughter to Enter and be permitted to ride in 2011 PRA Pony Races and recognise that Pony Racing is an activity with considerable risks and that whilst organisers of Pony Races endeavour to reduce risks it cannot be guaranteed either the arrangements put in place will have been fully complied with or that some human error or unexpected animal behaviour will not occur with potentially disastrous consequences for those participating and watching the event. I accept it is a condition of Entry that the rider will do his/her best to conduct him/herself safely and to ride his/her pony in such a way as to minimise risk of injury to him/herself and to other riders, their ponies and spectators. I shall ensure that my son/daughter complies with all requirements of The PRA and Organisers. I further agree that it is my sole responsibility to arrange or effect insurance cover in respect thereof and to indemnify and hold harmless the organisers of the event, their officials or employees against any claim or claims made by the owner of any pony ridden by my son/daughter, if such pony has been lent or hired for the purpose. Whilst recognising that a full medical examination is impractical, there are a number of conditions that will preclude a child from taking part and I declare that my son/daughter complies with the following and is not currently being prescribed regular medication, has never suffered epileptic fits or convulsions, does not suffer from diabetes, does not suffer from chronic asthma that requires oral steroids or other medication other than an inhaler, does not suffer with impaired eyesight or hearing and has not suffered a dislocation of the shoulder on more than one occasion.

**By signing this declaration I declare that my son/daughter is fit and competent to take part in Pony Races and I have no knowledge of any other medical information that would preclude him/her from taking part.**
